

Open Studio

Seasonal members

Open Studio Times

12 sessions for \$84.00 (works out to be \$7.00 a session)

\$10.00 drop in

-For 7 years old and older

-15 spots are available for each session.

-Supervised coach will be present for all sessions.

-Supervised coach is there to assure a safe environment for all those attending.

(Parents must stay in the lobby. Space is limited in the studio.)

-Supervised coach isn't there to babysit or give private lessons. The supervised coach can offer advice but is mainly there supervising and making sure the equipment is shared and the space is safe for everyone practicing.

-12 sessions can be shared within the same family. Chantel will need to know what days you will be training to save your spots. Everyone in the family must be registered with Channel Performance.

-For those who have purchased 12 sessions please let Chantel know when you can't attend so Chantel can track your sessions and open a spot for another athlete.

-Sessions can't be switched with a seasonal program. However, you can switch open studio time with another open studio time if a spot is available. Please confirm with Chantel before attending the open studio time.
