Channel Performance Mission Statement:

Mission Statement: Channel Performance provides an encouraging environment, creative play to help your children grow and develop their social and educational skills to help prepare them for kindergarten. Channel Performance will focus on building confidence, skills in physical development, literacy, auditory and cognitive development.

Age

3-5 years old

Curriculum

Each one of our little athletes will become a gymnastics member, track member with our clubs. We also added skating lessons too!!! Your athlete will learn basic skating skills with Channel Performance.

Our preschoolers will learn fundamental skills, creative movement to help them build confidence to move, build passion for sport and instill healthy habits into their lifestyle. Our students will develop skills in hand-eye coordination, hand development, eye development, speech development; learning their ABC's, alphabet sounds, numbers, how to word sentences together.

Our athletes will also learn methods from our Intellidance program; space & sound, body parts & rhythm, speed & tempo, size and direction

Days

Tuesdays 9-11:30am

Thursdays 9-11:30am

Payments per month; September to June

1 day a week \$75.00

2 days a week \$120.00

Annual Registration Fee \$60.00

Channel Performance will invoice you each month. Payment needs to be paid by the 10th of each month or late fees will be applied to your invoice.

Your athlete will be a member with Gym Sask, and Sask Athletics. Channel Performance will register your little one with both organizations. Your annual registration fee goes towards your sport organization fees and supplies.
