 **BIG ANNOUNCEMENT — Our First-Ever Competition!**

We are thrilled to announce that Channel Performance Studio is working toward hosting our **very first Circus, Baton Twirling & Rhythmic Gymnastics Competition!**

Tentative Competition Date: Saturday, January 30th, 2027

This is an exciting milestone for our studio and a wonderful opportunity to bring athletes together to celebrate their talents and accomplishments.

We are currently fine-tuning the details with our event partner, **Monarch**, to make this competition a success!

Here's what we've been working on:

- We have officially purchased a rhythmic gymnastics competition floor!
- We are currently working on securing a school facility to host our event.
- We are applying for grants to help offset competition expenses and keep costs as affordable as possible for participating families.
- We are working closely with Monarch to finalize competition details and planning.

We are incredibly excited about this opportunity and what it means for the future of our programs!

More details, including registration information, will be announced soon!

 **Mom's Pantry Fundraiser — Help Support Our Year-End Showcase!**

To help offset these expenses and keep admission costs lower for families, the Channel Performance Board of Directors is asking each family to help sell **$100 worth of Mom's Pantry products**.
